

2020-2021 PARISH EVENTS & HAPPENINGS

This year is unique and things are different.

Writing brief reflections on the following count as parish events:

- Doing a reflection on a video we sent via email.
- Doing a reflection on a Mass you watch online or attend. Each Mass counts as a separate event.
- Families are the greatest example of God's love. Tell us some of the things your family does to help you with your work and spirits. Each activity counts as a separate event. Do one for each of the following items:

Parents helped with school work.

Family game night.

Special projects.

Special activities.

- Share ways that you caring help out your family.
- First Communion Rehearsal
- First Communions in July

Once we are back to a regular schedule any church held events count.
