Model Stewardship

*"...Rather, we wanted to present ourselves as a model for you, so that you might imitate us."
2 THESSALONIANS 3:9*

Most **Stewards** who live a grateful and generous lifestyle, don't go around bragging about it. But through their words and actions, others do take notice. They notice because of the joy and peace that results and others desire this in their own life. Know that the way you live your life may be the only interaction others may have with our Catholic faith.

PRAY FOR OUR DECEASED:

A Message from our Pastor, Rev. Joseph T. Szolack

Dear Friends in Christ,

This past Friday was Veterans Day which is always celebrated on November (eleventh month), on the 11th day and in a special way, at the 11th hour. It was at this date and hour that President Wilson signed the armistice that ended World War I. This holiday was called Armistice Day until 1954 when the name was changed to Veterans Day. We express our gratitude and appreciation to all our veterans this Friday. We celebrate all the men and women who have served in our nation's armed forces. President Regan said, "We remember those who were called upon to give all a person can give, and we remember those who were prepared to make that sacrifice if it were demanded of them in the line of duty, though it never was. Most of all, we remember the devotion and gallantry with which all of them ennobled their nation as they became champions of a noble cause." As I write this message I have no idea of the results of the election or what is happening to our nation. While things are not good for in our country, I only know that as we celebrate those who served our nation's interests and I pray that we will embrace the ideals that our veterans had, have and will have. May this nation, a gift from God, remain true to the vision that was gifted to us from the founding fathers. Prayerfully, we will not distort our system by embracing a warped way of living that leads us ever farther from our Christian principles. The West Point Motto - "*Duty, Honor, Country*" - and the ideals of the seven Army *Values*: loyalty, *duty*, respect, *selfless service*, honor, integrity, and personal courage" offer us values that are reflected in our Catholic faith and which, if lived, will allow us to be truly American. God bless all our veterans, including our own Father March. May the Lord bless all the faithful veterans of our parish for their selfless service. We are so proud of those who served our country. Please remember to pray for the men and women are serving now in our armed forced who are listed in the bulletin.

God bless you,
Father Szolack

Our Nation Honors God...

HONORING ALL VETERANS ON VETERANS DAY

We thank you for your service and sacrifices.

We are forever grateful!

HAPPY VETERANS DAY!

Pray for our Military men and women: Lord, hold our troops in your loving hands. Protect them as they protect us. Bless them and their families for the selfless acts they perform for us in our time of need. Bring them home safely. May their sacrifices bring about a lasting and just peace in all lands. We ask this in the name of Jesus, Our Lord and Savior. Amen.

Parish Nurse Ministry
“Improving health through “gratitude”

Thanksgiving is November 24th. It is good to have a day dedicated to giving thanks but, did you know that giving thanks on a regular basis can improve your health?? It’s true! Expressing gratitude releases stress-reducing hormones. Regular expressions of gratitude can improve your sleep, mood, and immunity.

Perhaps more importantly, when we express gratitude, we acknowledge goodness in our lives and the source of that goodness. Gratitude helps our spiritual health. A fun fact underlying the practice of gratitude is that the word “gratitude” is actually derived from the Latin word “gratia”-- which means grace.

Before going to bed at night, think of 2 or 3 things/ people/ events for which you are grateful. Give thanks to God for these things. It can actually improve your health.

Confirmation 2023

Now that the packets have been distributed, its time to begin the task of filling out the paperwork. Step one should be the application. Get the application filled out and get it into the office as soon as possible. You will also want to ask the person you chose as your sponsor to obtain their eligibility letter. This will help eliminate last minute running around. Be sure to use your check list to help you. Do not check something off if it is not complete. As always, we are available to help with any questions you may have.

Christmas Cards

It is that time of year again where we will ask all of our parishioners to bring in signed Christmas cards for the people who will be spending the holidays in nursing care facilities. We ask that you and your family sign the card (first names only) and drop it off in the box at the back of the church. Please do not put it in an envelop. These cards will be distributed to the facilities through the holiday season. We ask that the cards are in the box no later than December 11, 2022. We would like to deliver them so that the people can have time to enjoy them. For the children of our Faith Formation classes, may use this as one of their parish events. We thank you for your continued support.

Saint's Corner: St. Abigail, was a medieval Irish saint born around the 6th century in County Clare, Ireland. According to tradition, Abigail's family was always feuding which caused her to run away from home. After some time, an angel appeared to Abigail and told her this was not her place of resurrection. She was to head inland to find the place she would spend the rest of her life. The angel told Abigail this place would be marked with the presence of nine white deer. Abigail set off in search for the deer and she finally found the herd of deer. Abigail would spend the rest of her earthly life dedicated to pastoral service and Christian charitable work. Her brother, St. Abban is believed to have joined her to help set the foundation for a convent, placing Abigail as its abbess, or mother superior of the community of women religious. Abigail also went on to spend much of her time caring for the sick. According to early Celtic folklore and religious symbolism, the soul departs from the body in the form of a bee or butterfly. So, it is not surprising that, given her deep Christian faith and belief in the Resurrection, Abigail also became a beekeeper. It is said that she developed a powerful relationship with the bees and would use their honey to treat illnesses and heal wounds. She became known for her miracles in rousting bees from their hives and using them to chase off evil. Some pious legend even claim that the bees transformed into soldiers, with their hives becoming helmets. St. Abigail is the patron saint of honeybees and beekeepers. She is often featured surrounded by bees or carrying a honeycomb. Her feast day is celebrated on February 11.
