"Brothers and sisters: I should like you to be free of anxieties." - 1 Corinthians 7:32

How much anxiety do we bring upon ourselves by constantly worrying about not having enough or attaining more things? God won't necessarily give you everything you want, but He will provide everything you need. Try this – use the word "pray" instead of the word "worry" in the future. Then, in Stewardship spend your time praying instead of worrying.

Dear Friends in Christ,

Pope Saint John Paul II said of Catholic education: "A Catholic school is a place where students live a shared experience of faith in God and where they learn the riches of Catholic culture...Catholic schools must help students to deepen their relationship with God and to discover that all things human have their deepest meaning in the person and teaching of Jesus Christ." The Diocese of Camden is celebrating our Catholic schools over the next two weeks. We will hear a talk given by adults at all the Masses this weekend who either have children in Our Lady of Hope School or have benefited from our Catholic school. Our Lady of Hope School is a regional Catholic school made up of Our Lady of Hope Parish, along with the parishes of Holy Family, Saint Charles Borromeo and Saints Peter and Paul. Jesus and Our Lady are at the center of our Catholic grade school. Every subject, all the sports and arts are to be seen and lived through the prism of the Lord Jesus. If our children do not experience the Lord, learn about the Lord and with God's grace love the Lord, we are failing. Our school makes every attempt through its administration and faculty to instill the call to discipleship. The diocese is asking all of our parishes to take up a second collection this weekend for the Catholic schools of our diocese. This will assist in tuition assistance for students who desire to attend a Catholic school. Please be as generous as your means allow. Thank you to all the parents and parishioners who support Our Lady of Hope School. May Our Lady continue to watch over the students, their families and the supporters of our school. Our Pope Emeritus, Benedict XVI, reminded us about the importance of supporting our schools financially: "Catholic schools provide a highly commendable opportunity for the entire Catholic community to contribute generously to the financial needs of our institutions. Their long-term sustainability must be assured. Indeed, everything possible must be done, in cooperation with the wider community, to ensure that they are accessible to people of all social and economic strata. No child should be denied his or her right to an education in faith, which in turn nurtures the soul of a nation."

God bless you,
Father Szolack

Pray for our Military men and women: Lord, hold our troops in your loving hands. Protect them as they protect us. Bless them and their families for the selfless acts they perform for us in our time of need. Bring them home safely. May their sacrifices bring about a lasting and just peace in all lands.

We ask this in the name of Jesus, Our Lord and Savior. Amen.

Needed: CANNED FRUIT, PANCAKE MIX and SYRUP

Despite the cold weather, our volunteers continue getting to the pantry to set up, pack groceries and offer a kind word to the many needy families who look to us for the most basic of human needs...nourishment. For our clients, it means knowing there is a place they can go to get a bundle of free groceries to get them through to another paycheck. We are dedicated to keeping our doors open for these people and we are grateful to you for making it all possible by keeping our shelves stocked. Stay "warm hearted" ...many truly feel the glow every week.

Saint Thomas Aquinas:

Thomas Aquinas was a large man and a brilliant student, but he was quiet and seldom spoke. His classmates called him “dumb ox”. Thomas’ family was wealthy and they sent him at the age of five to be taught by the Benedictines. They had hoped he would join their community and someday become an abbot. The Dominicans lifestyle of prayer and study attracted him and he joined them instead. His family was upset and shocked that Thomas, a nobleman, would join a group of poor friars, so they captured Thomas and kept him imprisoned for more than a year in a family castle. Nothing changed his mind, however, and they finally released him to rejoin the Dominicans. Thomas first studied science under Albert the Great, but he preferred theology. One of the greatest Christian thinkers and writers, Thomas Aquinas is well known for his writings in philosophy and theology. He reportedly never forgot anything he read and could dictate to four secretaries at the same time on different subjects. His most famous work, the *Summa Theologica*, contains five volumes of his thoughts on all the Christian mysteries. Though he was considered great even in his own time, he remained humble and quiet. He prayed often and acknowledged that his gifts came from God. While offering Mass on December 6, 1273, Thomas has a spiritual experience. After that he stopped writing completely. He said after what he had seen, all he had written was just straw. A few months later, the Pope invited him to the Council of Lyons in France, but Thomas died on the way. Thomas had been an advisor to kings, a writer of masterpieces, a counselor to Popes, and a teacher of classics. Most of all, Thomas was a servant of God. He is a Doctor of the Church and called, “the angelic doctor” for his purity and knowledge. Thomas is the patron saint of Catholic schools, students, colleges, philosophers and theologians.
